AJOT

Index to Volume 60, 2006

Article Index

Accessibility

Access to Polling Places in the 2004 Presidential Election: The Experience of One Metropolitan Midwestern City, *60*(4), 404–408

Activities of Daily Living

The Activity Setting of Homework: An Analysis of Three Cases and Implications for Occupational Therapy, *60*(1), 50–59

Personal Preference and Quality of Reach in Healthy Adult Women, *60*(5), 577–586

AOTA Association and Official Documents

AOTA Awards and Recognitions Recipients, *60*(6), 688–689

AOTA's Statement on Obesity, *60*(6), 680

AOTA's Statement on Health Disparities, *60*(6), 679

Annual Business Meeting Minutes, *60*(6), 692–694

Association Polices, *60*(6), 681–687

Ethics Commission Public Disciplinary Action—June 2006, *60*(6), 695

Guidelines to the *Occupational Therapy Code of Ethics*, *60*(6), 652–658

Listing of Educational Programs in Occupational Therapy, *60*(6), 696–717

Representative Assembly Summary of Minutes, *60*(6), 690–691

Role Competencies for a Fieldwork Educator, *60*(6), 650–651

The Role of Occupational Therapy in Disaster Preparedness, Response, and Recovery, *60*(6), 642–649

Specialized Knowledge and Skills in Adult Vestibular Rehabilitation for Occupational Therapy Practice, *60*(6), 669–678

Specialized Knowledge and Skills for Occupational Therapy Practice in the Neonatal Intensive Care Unit, *60*(6), 659–668

Autism

Occupational Therapy Incorporating Animals for Children With Autism: A Pilot Investigation, *60*(3), 268–274

Departments

Dedication—Tribute to Jean Amspoker Spencer, *60*(1), 9

Eleanor Clarke Slagle Lecture, 2006—The World of Everyday Occupation: Real People, Real Lives, *60*(6), 627–640

A Firm Persuasion in Our Work—Associate Editor's Note—Seeking Integration, Seeking Coherence, *60*(5), 595

A Firm Persuasion in Our Work—Occupations: Strands of Coherence in a Life, *60*(2), 236–239

A Firm Persuasion in Our Work—Professional Identity and Workplace Integration, *60*(5), 596–599

From the Desk of the Editor—A Busy Practitioner's Approach to Evidence-Based Practice, *60*(2), 127–128

From the Desk of the Editor—Dissemination or Knowledge Translation?, *60*(5), 487–488

From the Desk of the Editor—The Scope of Occupational Therapy: Our Asset and Our Challenge, *60*(3), 247–248

From the Desk of the Editor—State of the Journal, *60*(6), 607–608

From the Desk of the Editor—Using the MAARIE Framework To Read the Research Literature, *60*(4), 367–368

From the Desk of the Guest Editor—Occupational Therapy in Times of Disaster, *60*(1), 7–8

The Issue Is—Authorship Issues: One Research Center's Experience With Developing Author Guidelines, *60*(1), 111–117

Plenary Presentation, 2006—Political Dimensions of Occupation and the Roles of Occupational Therapy, *60*(6), 617–626

Presidential Address, 2005—Harnessing Opportunities and Taking Responsibility for Our Future, *60*(3), 249–257

Presidential Address, 2006—Centennial Challenges, Millennium Opportunities, *60*(6), 609–616

Driving

Driving Evaluation Practices of Clinicians Working in the United States and Canada, *60*(4), 428–434

Validity of the Cognitive Behavioral Driver's Inventory in Predicting Driving Outcome, *60*(4), 420–427

Early Intervention

Early Intervention Service Eligibility: Implications of Using the Peabody Developmental Motor Scales, *60*(3), 327–332

Education

Beyond Active Learning: A Case Study of Teaching Practices in an Occupation-Centered Curriculum, *60*(5), 551–562

National Status of the Entry-Level Doctorate in Occupational Therapy (OTD), *60*(5), 540–550

Outcomes of Selected Cases From the American Occupational Therapy Foundation's Curriculum Mentoring Project, *60*(5), 563–576

A Phenomenological Study Exploring the Meaning of a Seminar on Spirituality for Occupational Therapy Students, *60*(5), 531–539

Hand Therapy

The Effect of Three Alternative Keyboard Designs on Forearm Pronation, Wrist Extension, and Ulnar Deviation: A Meta-Analysis, *60*(1), 40–49

The Effects of Sensorimotor-Based Intervention Versus Therapeutic Practice on Handwriting Difficulties in Primary School Children: A Search for Underlying Mechanisms, *60*(4), 451–460

Handwriting Instruction in Elementary Schools, *60*(4), 461–471

Improving Handwriting Performance in 6- to 11-Year-Old Children, *60*(1), 16–27

Outcomes Associated With a Summer Handwriting Course for Elementary Students, *60*(1), 10–15

Relationships Among Biomechanical Ergonomic Factors, Handwriting Product Quality, Handwriting Efficiency, and Computerized Handwriting Process Measures in Children With and Without Handwriting Difficulties, *60*(1), 28–39

Mental Health

Occupational Factors and Characteristics of the Social Network in People With Persistent Mental Illness, *60*(5), 587–594

Sensory Processing Patterns in Persons With Angelman Syndrome, *60*(4), 472–479

The Use of Automated Prompting to Facilitate Handwashing in Persons with Dementia, *60*(4), 442–450

Pediatrics

A Comparison of Visual-Perceptual and Visual-Motor Skills Between Palestinian and Israeli Children, *60*(2), 215–225

Examination of the Perceived Efficacy and Goal Setting System (PEGS) With Children With Disabilities, Their Parents, and Teachers, *60*(2), 204–214

Integration and Application of a Home Treatment Program: A Study of Parents and Occupational Therapists, *60*(5), 500–510

Maternal Attitudes and Self-Definition as Related to Perceptions of Infant Temperament, *60*(5), 494–499

An Occupation-Centered Discussion of Development and Implications for Practice, *60*(3), 258–267

Pilot Study: Investigating the Effects of Kinesio Taping in an Acute Pediatric Rehabilitation Setting, *60*(1), 104–110

Time Use of Mothers With School-Age Children: A Continuing Impact of a Child's Disability, *60*(2), 194–203

The Use of Infant Seating Devices in Child Care Centers, *60*(5), 489–493

Physical Disabilities
A Case Report on the Collaboration of Health Care Professionals in Fitting and Training Seven Iraqi Clients With Right Wrist Disarticulations 9 Years Postamputation, *60*(3), 340–347
Managing Usual and Unexpected Pain With Physical Disability: A Qualitative Analysis, *60*(1), 92–103

Physical Rehabilitation
Evaluation Options for Secondary Transition Planning, *60*(3), 333–339
The Occupational Therapy Practice Checklist for Adult Physical Rehabilitation, *60*(4), 388–396
Occupational Therapy Practice Errors in Physical Rehabilitation and Geriatrics Settings: A National Survey Study, *60*(3), 288–297
Psychometric Testing of the McGill Ingestive Skills Assessment, *60*(4), 409–419
Shoulder Muscle Activity Increases With Wrist Splint Use During a Simulated Upper-Extremity Work Task, *60*(3), 320–326
The Use of Occupation-Based Treatment With a Person Who Has Shoulder Adhesive Capsulitis: A Case Report, *60*(4), 397–403

Practice
Discrepancy Between Older Clients' Ability To Read and Comprehend and the Reading Level of Written Educational Materials Used by Occupational Therapists, *60*(1), 70–80
Level I Fieldwork Today: A Study of Contexts and Perceptions, *60*(3), 275–287
The Measurement Properties and Factor Structure of the Test of Visual-Perceptual Skills—Revised: Implications for Occupational Therapy Assessment and Practice, *60*(2), 182–193
Perception of Client-Centered Practice in Occupational Therapists and Their Clients, *60*(3), 298–310
School-Based Practice Patterns: A Survey of Occupational Therapists in Colorado, *60*(1), 81–91

Reference/Research
Critiquing the Logic of the *Domain* Section of *the Occupational Therapy Practice Framework: Domain and Process*, *60*(5), 511–523
Enhancing Research Utilization Capacity Through Multifaceted Professional Development, *60*(2), 155–164
Factors Affecting Patient Recruitment in an Acute Rehabilitation Randomized Controlled Trial, *60*(2), 177–181
Rehabilitation Medicine Summit: Building Research Capacity: Executive Summary, *60*(2), 165–176
Research Concepts in Clinical Scholarship—Evaluating the Quality of Reporting Occupational Therapy Randomized Controlled Trials by Expanding the CONSORT Criteria, *60*(2), 226–253
Searches and Content of the OTseeker Database: Informing Research Priorities, *60*(5), 524–530

Stroke
Community Participation Following Cerebrovascular Accident: Impact of the Buffering Model of Social Support, *60*(2), 129–135
Coping During Inpatient Stroke Rehabilitation: An Exploratory Study, *60*(2), 136–145
Occupational Therapy Activities and Intervention Techniques for Clients With Stroke in Six Rehabilitation Hospitals, *60*(4), 369–378
Perceived Risk: Effects on Reaching and Placing Performance in Persons With Cerebrovascular Accident, *60*(4), 379–387
Self-Speech-Induced Facilitation of Simple Reaching Movements in Persons With Stroke, *60*(2), 146–154

Spinal Cord Injury
Sexuality After Spinal Cord Injury: The Greek Male's Perspective, *60*(3), 311–319

Tecimology
Responses to the Acquisition and Use of Power Mobility by Individuals Who Have Multiple Sclerosis and Their Families, *60*(3), 348–358

Work
Effectiveness of a Work-Related Stress Management Program in Patients With Chronic Schizophrenia, *60*(4), 435–441
The Meaning of Work After Acquired Brain Injury, *60*(1), 60–69
